WEEK ONE

Day 1 - Monday, October 17

Did you know that there are some kids around the world that don't have the chance to go to school like you? You can help! What do you want to be when you grow up? A police officer? A nurse? It's important to go to school to learn how to read and write, add and subtract so you can be whatever you want when you grow up. Be sure to write your name on the posters around the school to show you care about kids around the world. If we all work together to raise money for UNICEF, we can help lots of kids get the chance to go to school!

Day 2 - Tuesday, October 18

Remember to share your UNICEF pledge envelopes with your family and let them know all about the things you have learned so far about Manjo, Reshma and Yuri and how we can help them. Can you imagine how hard it would be to learn, if you didn't have pencils to write with? As little as \$10 dollars can buy pencils and books for 20 kids just like you!

Day 3 - Wednesday, October 19

Last fall you raised \$1 million dollars to help kids around the world! Because of your great ideas, UNICEF was able to help more children around the world go to school, have clean water, food and medicine to stay healthy. With \$240 dollars, kids can get a school-in-a-box for 2 classes that contains a chalk board, notebooks, pencils to draw with and more.

Day 4 - Thursday, October 20

Do you know about some of the amazing prizes that you can win by making your own UNICEF website? Go to unicef.ca and make a website with your own pictures and videos. Then send emails to your friends and family so they can help you collect donations for kids just like you. The more donations you collect online, the more chances you have of winning one of the great online prizes, like a Webkinz membership, magazine subscription or even a \$ 2,500 dollar scholarship!

Day 5 - Friday, October 21

Remember to share your UNICEF pledge envelopes with your family and let them know all about the things you have learned so far about Manjo, Reshma and Yuri and how we can help them. Can you imagine how hard it would be to learn, if you didn't have pencils to write with? As little as \$10 dollars can buy pencils and books for 20 kids just like you!

WEEK TWO

Day 6 - Monday, October 24

We hope everyone had a fun weekend. Imagine what it would be like to not have a school to go to. Last year in Pakistan, there was a huge flood that destroyed almost everything. UNICEF set up schools so kids like Reshma can learn how to read and write. If we raise \$1,940, we can provide a school tent that will give teachers and students a place to go to school. We can make a difference together!

Day 7 - Tuesday, October 25

Our school is doing a great job of raising money for kids around the world. Keep up the good work! A reminder to everyone – please bring in your UNICEF donation envelopes once you have finished collecting your money. Also, keep fundraising online at unicef.ca, that way you can get a chance to win a fun prize like a webkinz membership, magazine subscription or even a \$ 2,500 dollar scholarship!

Day 8 - Wednesday, October 26

Only 4 more days to collect your donations! Remember all the money you raise; gives another kid a chance to go to school just like you do. With just \$32 dollars you can give kids a chance to have fun at recess with a brand new soccer ball to play with their friends.

Day 9 - Thursday, October 27

Thank you everyone for working hard to raise money for National UNICEF Day. Please make sure you bring in your pledge envelopes with the donations and give them to your teacher on Monday. Be proud, you have worked hard to help children around the world go to school! Remind your family and friends that Monday is the last day that they can donate to your webpage on unicef.ca

Day 10 - Friday, October 28

We're almost done! Monday is Halloween and National UNICEF Day. This is the last weekend to get your family and friends to help you raise money for our friends around the world on your own webpage at unicef.ca. Remember the money you have raised can help a kid like Reshma, Yuri and Manjo! Have a good weekend!

Monday, October 31

Happy Halloween and National UNICEF Day! Thanks to all students and teachers who put in a tremendous effort in raising money for our friends around the world. You are helping kids all around the world get the important supplies they need so they can have chance to learn at school. Have fun trick or treating and be safe!
